<p>5</p>	<p>New Matters Arising:</p> <p>5.1 No turn right junction at main road – brought to the agenda by the Chair, Cllr Nash explained that she is constantly seeing cars turning right at the junction, this is very dangerous. Cllr Jordan has spoken in the past to Highways about this problem but unfortunately there is no budget available to do anything about it, highways did suggest taking number plates down and calling the police.</p> <p>5.2 Ironman Feedback – feedback from the committee on the Ironman event:</p> <p>Positive: No rubbish left behind after the event, better access this year for pedestrians in the village including wheelchair users, shop did very well they also helped by putting our large boxes for rubbish.</p> <p>Negative: The toilets at Well Park caravan site were being used by spectators; no security on the entrance, flood lighting seemed a little sparse this year, equipment left in the hall carpark that wasn't authorised.</p> <p>5.3 Any Other Business -</p> <p>1 – Remembrance Sunday planning – Cllr Brace was keen to make some early plans, collection of poppy wreaths and refreshment Welsh cakes for after the service. The Clerk said she could collect the wreaths if needed? And could purchase the Welsh Cakes. Member Vicky Lee said she would find some to be the server in the hall for the event.</p>
